

## Federal Government Capabilities Statement

### Company Overview

Humanscale is the leading manufacturer of ergonomic products for the office environment. Its diverse product range is designed to maximize comfort and minimize long-term health risks for desk- and computer-bound workers. Adhering to the philosophy that technology should make complicated things simple, Humanscale strives to design products that combine uncompromising function, honest aesthetics, superior sustainability and ultimate ease-of-use.

### Products

Humanscale offers a number of ergonomic office furnishings on GSA contract, including:

- **Seating:** Task, conference and side chairs, including the award-winning Freedom, Liberty, Smart, Smart Plus, Smart Ocean and Cinto lines
- **Keyboard Supports:** An advanced line of keyboard mechanisms, keyboard platforms, and mousing platforms, including the 6G and 6G Float mechanisms
- **Monitor Arms:** Strong and stable dynamic support solutions, such as the M8 and M/Flex
- **NeatLinks:** An under-desk cable management solution to organize wire clutter
- **Lighting:** Element Classic and Element Vision LED Task Lights with Occupancy Sensors
- **Height Adjustable Tables:** Float (counter-balance) and Float (electric) tables

Please note: Only certain Humanscale model numbers are GSA compliant. Please contact your local Humanscale Representative for a full list of GSA compliant model numbers.
